

Loading Your COMPLETE Holdings to the New NHU-PAC

Several NHAIS libraries have expressed an interest in loading the records from their local systems onto the NHU-PAC as a batch. Beginning in 2003, Network Services will be contacting the individual libraries who have expressed interest in this project.

If your library does not currently have a complete set of holdings on the NHU-PAC and you are interested in loading your complete holdings, please complete this form and return it to NHSL – Network Services after you have begun adding holdings for your current acquisitions to the NHU-PAC.

PLEASE PRINT CLEARLY
